

Signature Summer Sessions!

Check out these new and amazing summer classes that will be offered at Signature! Dates and times will vary. Please contact the studio today for more information! Register BEFORE June 30th and pay no registration fee OR receive \$20 off a second camp!

Boys of Broadway – A study of various leading male roles from famous Broadway musicals. Learn the songs and moves of some of the most admired Broadway classics!

Ballet Technique for the Male Dancer – Whether you're new to dance, or not, everyone can brush up on their ballet technique! This class is also great for any performer who goes through audition processes for musicals or more!

Contemporary Expressions for Boy – Join in the popular contemporary dance movement with this all new boys class! In this class, students will learn the basics of contemporary dancing and self-expression!

Jazz Concepts for Kids – Learn jazz basics and progressions across the floor while working on technique and style in this fun, upbeat jazz class!

Ballet Technique for the Serious Dancer – Are you an intermediate to advanced dancer looking for a more serious study of ballet technique? Perhaps you're considering dance as a career and need the extra edge to get through the audition process! In this class, students will be working with highly trained staff on their technique, body alignment and performance quality!

Conditioning and Stretching for the Serious Dancer – In addition to the focused ballet class mentioned above, we will also be offering a conditioning and stretching class specifically designed for students of the same advancement. This class will focus on the strength and stretching needed for a dancer to truly harness their deepest potential and be on track to obtaining their goals as a pre-professional or professional dancer.

Contemporary for Kids – Join this class to learn the basic concepts of this super popular style of dance. You've seen this style on popular television shows, such as "So You Think You Can Dance" and more!

Acro-Dance – A fun combination class where dance and acrobatics are the main points of focus! Our qualified staff will help students to learn basic acrobatic concepts and tumbling in a safe environment.

Cheer Dance Concepts – Get an edge on your next cheer audition, learn important arm positions in cheerleading as well as jumps and cheers! This exciting and fun camp is for dancers or cheerleaders to refine or learn cheerleading skills!

Broadway Babies and Ballet Babies – Classes for the very young dancer to explore dance, working on large motor skills, rhythm and timing, creative expression, imaginary play and more! This is the perfect class for a first time or young dancer!

Audition Preparation for the Performing Arts – Thinking about auditioning for a school or local play or musical? Always bombing auditions or feeling like you could have just done better? Never actually auditioned for anything? This class will help students prepare for even the most rigorous audition. This class is designed for the theater arts and will teach kids audition techniques and secrets to help them nail any audition they're put to!

Vocal Practice, Improvisation, Acting Techniques and More! – Utilizing all the techniques mentioned in the title to give any theater student a proactive and progressive learning experience; this class will help the beginner and the experienced student to perfect their skills!

Hip Hop – Classes available for the beginner or advanced hip hop dancer. Styles explored during these sessions are breaking, urban choreography, and more!

Ballet Technique for Kids – This class is for the recreational dancer. Incorporated into these ballet classes will be imaginary exploration and storytelling, creative expressions, across the floor progressions and more! A fun and entertaining ballet class for children and youth.

Yoga to Empower our Young – These classes are a positive and safe way for students to connect with other kids while feeling empowered and supported through circle discussion and yoga for exercise! This class will help students feel emotionally and physically stronger and supported through their classmates and teachers.

Yoga to Empower our Teens – This class is designed to give teenagers a place to talk about anything on their mind in a safe and supportive way through circle discussions and then to physically power up for the week through yoga for exercise! This is such a fun and healthy outlet for kids to meet and make new friends and connections!

Adult Dance Discovery – Are you an adult who has an interest in dancing, but are unsure of a specific style? Are you an experienced adult dancer who would like to work more on fundamentals? Perhaps you'd like to experience a new style of dancing. Our Adult Dance Discovery class is a 6 week explorative course study of various styles of dance including jazz, hip hop, ballet techniques, lyrical and more! This is for adult dancers of any skill level.

Competition Interest – Are you interested in competitive dancing? Signature Dance Studio is an award-winning competition studio and are looking to grow their competition teams! We are accepting beginner, intermediate, and advanced dancers onto this team through a simple audition process! Dancers who are interested are encouraged to take our summer sessions to help prepare them for these auditions and to give them a better understanding of what they would be doing on the competition team! Contact the studio today for more information on this amazing opportunity. Being a competitive dancer offers students drive and discipline, teaches them healthy habits, and gives them a well-rounded dance education!
